Board of Directors
Crestline Village Water District

Re: Interest in Serving on the Board of Directors

Dear Members of the Board:

I am writing to express my interest in serving on the Board of Directors of the Crestline Village Water District. As a former district employee, I would welcome the opportunity to serve the community in a new role.

I would bring my experience working at the district, a willingness to listen, and a commitment to working with fellow board members and staff. My goal would be to support reliable water service and thoughtful decisions for the community.

Thank you for considering my interest. I would welcome the chance to discuss serving on the board.

Sincerely,
Josselyn Bryan

Good Morning,

My name is Enrique (Henry) Flores . I'm reaching out in interest of becoming a member on the board.
As we all know 90% of the human body is made of water, and in that spirit I'd like to be considered for any open seat.
Currently I am a district manager, and have plenty of experience in time management, Microsoft Office.
My hobbies include but are not limited to the outdoors and outdoor conservation. Naturally this interest extends to H2O.
I am happy to learn and work well with people. I am not shy and love to answer and ask questions.

Feel free to reach out with any additional information, I appreciate you taking the time to read this and look forward to hearing from you soon. Thank you.
