Memo

To: Board of Directors
From: Josselyn Quine
Date: August 14, 2025
Subject: Resolution No. 511, Cal OES 130

We are in the final stage of the process with Cal OES and FEMA from the snowstorm that occurred in February - March 2023. Cal OES is requiring a Resolution from the Board acknowledging the income of funds. This is a requirement prior to the application going back to FEMA for the final stage. This Resolution will be active with FEMA and Cal OES for 3 years.

Providing our community with a reliable water system that delivers high quality water for its health and safety needs.
