Why do you want to serve on the SDRMA Board of Directors? (Response Required)

I am seeking to continue my service on the SDRMA Board of Directors, to share my experience and insights, stay actively engaged, and continue learning from others in the industry. With 25 years of experience working in a variety of special districts, including those with very limited financial resources, I understand the challenges many agencies face in balancing fiscal responsibility with providing essential services.

Serving in this capacity would allow me to give back to other agencies by sharing my perspective, helping to shape policies, and supporting collaborative solutions that benefit members. I see this as an opportunity to strengthen risk management practices, advocate for special districts, and ensure that all agencies, regardless of size or resources, have access to the support they need to succeed and serve their communities.

What Board or committee experience do you have that would help you to be an effective Board Member? (SDRMA or any other organization) (Response Required)

I currently serve on the SDRMA Board of Directors and have additional board and committee experience as a member of the Alliance Executive Council (AEC), the CSDA Professional Development Committee, and, as a staff member at Midway City Sanitary District, I actively participate in the Legislative & Public Affairs Outreach Committee and the Franchise Committee.

With 26 years of experience in special districts, as a General Manager and previously as a Director of Finance & Human Resources, I have regularly collaborated with many governing bodies at many different levels and statewide associations, gaining practical experience in policy development, risk management, and member services, all of which directly support the responsibilities of an effective SDRMA Board Member.

Candidate's Statement of Qualifications**

**What special skills, talents, or experience (including volunteer experience) do you have?
(Response Required)**

I have an MBA from the University of La Verne with an emphasis in accounting and I am also a Certified Special District Manager (CSDM).

My other special skills and experience include being a forward-thinking, community-focused leader and a problem solver with more than 26 years of experience working in various special districts. I value collaboration, active listening, and service to others.

I have volunteered as an assistant coach for both Up & Running Again at the Orange County Rescue Mission and as a coach for Back on My Feet at the Long Beach Rescue Mission, both are programs that support individuals experiencing homelessness through community and goal setting. I have also volunteered with the food pantry at church, and I have coached and refereed for many years in AYSO soccer. These experiences reflect my long-standing commitment to public service and community involvement.

What is your overall vision for SDRMA? (Response Required)

I am eager to help advance the outstanding work currently being done by SDRMA. As a General Manager, I understand the critical importance of effective risk management for all Special Districts, as well as the fiscal constraints and limited access to resources that many districts face, particularly those with smaller operations or minimal staffing.

It is my vision to continue building on SDRMA's solid foundation by broadening awareness of its services and ensuring that all Special Districts recognize and benefit from the valuable support it provides. I believe SDRMA should serve as both a partner and an extension of every member district, delivering not only services but also the dependable support districts need to operate safely, efficiently, and confidently in service to their communities.

I am also committed to identifying and pursuing value-added services and new opportunities that enhance the benefits of membership while keeping costs manageable for all members. By expanding outreach and engagement, we can grow SDRMA's reach and deepen its impact across the state.

I certify that I meet the candidate qualifications as outlined in the SDRMA election policy. I further certify that I am willing to serve as a director on SDRMA's Board of Directors. I will commit the time and effort necessary to serve. Please consider my application for nomination/candidacy to the Board of Directors.

Why do you want to serve on the SDRMA Board of Directors? (Response Required)

I believe in SDRMA's mission to provide financially-sound pool resources for risk management, and risk financing for public agencies. Special districts throughout California provide services to tens of millions of Californians, and risk management becomes more crucial every year to safeguard against significant risk exposure.

I have personally seen the value that SDRMA has added for the San Mateo County Harbor District during the ten years I have been an elected Commissioner. Special districts like the Harbor District's commonly face challenges caused by specious claims or lawsuits, captious board governance, or providing affordable medical coverage for employees. SDRMA has been there for the Harbor District and the 780,000 San Mateo County residents to mitigate risk exposure and curb financial liability. I've seen firsthand the value SDRMA provided to the Harbor District, and want to ensure their services remain available.

What Board or committee experience do you have that would help you to be an effective Board Member? (SDRMA or any other organization) (Response Required)

My extensive board experience on elected and appointed boards/committees and on nonprofit boards/committees have given me knowledge about board governance, parliamentary procedure, the public process, organizational integrity and ethical standards, transparency, and accountability.

Public Service & Elected Office

For more than two decades, I have served on various nonprofit boards and currently serve on two independent special district elected boards: the Menlo Park Fire Protection District Board of Directors (Fire Board) and the San Mateo County Harbor District Board of Commissioners (Harbor Board).

I also served for seven years as a Commissioner on the California Commission for Economic Development, appointed by Governor Schwarzenegger. On the California Commission for Economic Development, I was appointed by then-Lt. Governor Garamendi to chair the Biotech Advisory Committee and serve on the Goods Movement Committee and the Agriculture Committee. In 2014, the Commission for Economic Development became Go Biz, which is the California Governor's Office of Business and Economic Development created by Governor Brown.

I have served as President, Vice President, Treasurer, and Secretary on both the Harbor and Fire Boards, as well as chairing and serving on various Brown Act committees, such as finance and human resources. Overseeing tens of millions of tax dollars, my experience in finance and budgeting have greatly contributed to the fact that both the Harbor Board and Fire Board are debt-free, have consistently paid down unfunded pension liabilities, hired an investment advisor for cash management, capitalized on macroeconomic factors to earn interest income, and

**Special District Risk Management Authority
Board of Directors
Candidate's Statement of Qualifications**

improved the readability of both budgets so that the public can understand how their tax dollars are spent.

For the Harbor Board, I have also served, and currently serve, on the Oyster Point Marina Liaison Committee, which works with two South San Francisco councilmembers and meets at least once a year, to ensure that the terms of the Memorandum of Understanding are being honored as the manager of the marina, and that any updates are discussed for the benefit of the public, Oyster Point Marina tenants, and the Water Emergency Transportation Authority (WETA) that is San Mateo County's only public ferry transportation provider.

In San Mateo County, I have served on the San Mateo County Civil Grand Jury as a juror and foreperson. I currently serve on the San Mateo County LAFCO Board as one of two special district representatives, and on the San Mateo County Treasury Oversight Committee, which was established after the county pool lost \$155 million from the Lehman Brothers bankruptcy. These two committees are important for good government, transparency, and accountability.

Serving as a public servant on elected and appointed boards carries a responsibility to ensure the public's work is done on policymaking, fiscal oversight, making recommendations for the benefit of all Californians, and ensuring that public services and revenue generation continue so that essential services are provided and local economies thrive.

Nonprofit Board Service

While I have served on various nonprofit boards locally, some of my more notable board service statewide and regionally include:

- Silicon Valley Chapter of the American Red Cross
- California State Parks Foundation
- The Tech Museum of Innovation in San Jose
- Cultural Initiatives Silicon Valley

For traditional nonprofits, I have primarily served on fundraising committees, finance committees, and nominating committees. From my community service, I have had the honor of being recognized by the Silicon Valley Business Journal as a "Woman of Influence" in 2015.

Currently, I serve on the board of the California Association of Local Agency Formation Commissions (CALAFCO). For CALAFCO's board, I was elected to represent special districts for the Coastal Region, which is comprised of 15 counties from Ventura County to Sonoma County and going as far east as Alameda County and Contra Costa County. As part of CALAFCO's Legislative Committee, I research state legislation and bills and discuss how they affect LAFCOs in California's 58 counties.

What special skills, talents, or experience (including volunteer experience) do you have? (Response Required)

I have an extensive background in financial research, planning, investments, and the capital markets. I have been involved with stock compensation plans, cash management, and retirement planning, as well as selling insurance products when I had a Series 6 license to do so. Further, I traded options for hedging purposes and also traded stocks and bonds for middle-markets institutional investors and high-net worth retail investors. My experience with risk management and mitigation has afforded me critical skills to help my agencies plan for future capital projects, pay down unfunded pension liabilities, and invest tax dollars to capitalize on the current economic

conditions and fluctuations in the capital markets.

I have a BA in Government and a minor Economics from the University of Texas at Austin and a Masters of Public Administration from the University of Southern California's Sol Price School of Public Policy. With my educational background and experience in elected offices, I understand how government and public agencies work from the elected officials' and public administrators' perspectives.

I have been able to use my professional experience by developing investment policies for both the Harbor District and Fire District and followed these policies to ensure principle preservation and meeting cash-flow needs. Further, since being elected to both the Harbor Board and Fire Board, I am proud that both agencies are debt-free, have consistently paid down unfunded pension liabilities, hired an investment advisor for cash management, capitalized on macroeconomic factors to earn interest income, and improved the readability of both budgets so that the public can understand how their tax dollars are spent. I have also served on the Audit Committee of both districts, which have consistently had clean audits.

As a member of the San Mateo County Treasury Oversight Committee, overseeing approximately \$4 billion, my financial expertise and background have been put to use to navigate market uncertainties and an inverted-yield curve environment that required more short-term investments to capture higher yields over the last couple of years. Also, having served on San Mateo County's Measure G Parcel Tax Committee for the San Mateo County Community College District, I understand the importance of the role of oversight of tax dollars. Financial transparency and accountability are crucial for public agencies to keep the public's trust as fiduciaries of tax dollars, and I will bring this experience to the SDRMA Board.

Working on nonprofit boards has given me an opportunity to advocate for organizations whose work I believe in. I have primarily been an advocate for disaster preparedness, state parks, mental health, senior services, and education. I have served on various boards and committees that have allowed me to plan an author's salon to raise money for senior services and San Mateo County's Meals on Wheels program, to lobby the state legislators to protect California state parks during Park Advocacy Day, to provide mental-health services for first responders and the Asian community after the farmworker shooting in Half Moon Bay, and to raise money for my local public schools, among many other causes. Because of my background in business development, advocacy, and sales, I have generally been involved with fundraising committees for the nonprofits, which has allowed me to build partnerships with corporate sponsors and donors and work well with board colleagues and staff.

What is your overall vision for SDRMA? (Response Required)

My overall vision for SDRMA is to increase its membership and educate prospective members about how SDRMA's pool is important for special districts' risk management and why being an SDRMA member is a great investment for special districts. California has approximately 3,400 special districts, so there is a tremendous opportunity to increase membership. There is also an opportunity to provide members with more education about SDRG and the benefits of reinsurance for customized coverage and long-term stability for risk management. In the end, a special district's bottom line could benefit with more members, and these benefits should be part of the communication narrative to the public as an excellent way of protecting public services and public assets.

My professional background in finance and the capital markets and my role in elected office and oversight committees give me a great understanding of risk management for special districts, which provide essential

services funded by tax dollars. I would be honored to have your vote to serve on the SDRMA Board of Directors. Thank you for your consideration.
